Thanks, Kristine. We will put it in the mail on Tuesday and will send you the tracking information so you have it for your records.

As always, you have been very accommodating with these responses. Thank you for giving us some flexibility here; this has been a substantial undertaking.

Enjoy your weekend as well!

Sara

Sara - This email is a follow-up to our conversation about the Shipyard Response this morning. I wanted to confirm that it was acceptable for the Port to send in the Shipyard Response next week due to production problems that were incurred yesterday.

Have a happy 4th of July!
